# TOUR OVERVIEW

Institutions will have the opportunity to select from a diverse range of seven tour options, each carefully curated to cater to specific demographic preferences. Among these options are two tours tailored for four-year institutions, with one tour concentrating on metropolitan cities and the other on tier-2 cities. Additionally, a specialized tour will be available exclusively for community colleges, customized to meet their unique requirements. For graduate programs, there will be four distinct tours, each emphasizing a specific area of study, allowing participants to delve into their respective fields of interest.

## TYPICAL DAY

**On a typical day, a SimpleEd Smart Tour involves**

- Visits to three local high schools or higher education institutions, where workshops and mini-fairs are conducted to promote U.S. higher education.
- In addition to campus visits, the tour includes programs such as Counselor Connect and visits to EducationUSA centers, which provide a platform for participating institutions to interact with local stakeholders in the education sector.
- The program is augmented with additional evening programming to enhance engagement opportunities between participating institutions and local counselors, parents, students, and other relevant stakeholders.
